

■ GOVSHIELD ADMINISTRATIVE POLICIES [L1 CLEARANCE]

This document contains standard operating procedures and general office policies applicable to all GovShield personnel holding Level 1 security clearance or above.

OFFICE HOURS:

Standard administrative working hours at all facilities are scheduled from 08:00 to 18:00 (8:00 AM to 6:00 PM), Monday through Friday. Flexible scheduling is allowed with department head approval, but core operating hours of 10:00 to 15:00 must be observed by all active staff.

BADGE GUIDELINES:

Security identification badges must be worn visible and positioned above the waist at all times while inside any GovShield municipal building. Visitors must be escorted by credentialed personnel and wear a temporary red visitor badge.

■ IT SUPPORT & NETWORK CONFIGURATION [L1 CLEARANCE]

SECURE WIFI ACCESS:

Level 1 personnel can connect their authorized company-issued laptops to the secure internal wireless network. The network SSID is 'GovSecure-Net' and uses WPA3-Enterprise authentication. Use your standard system login credentials and select the primary root security certificate when prompting.

HARDWARE REPLACEMENTS:

If you encounter hardware issues or require peripheral replacements (keyboards, mice, monitors), please submit a support ticket via the internal IT portal. Routine desktop hardware requests are processed within 24 hours. For emergency replacement requests, contact the IT service desk directly at extension 404.
